"THE BREAD THAT I WILL GIVE IS MY FLESH FOR THE LIFE OF THE WORLD" (v.51).

The bread that the angel brought and satisfied the hunger of Elijah was a pre-figuration of the bread of life which Jesus would give for our eternal life.

Belief in the real presence of Jesus in the Most Holy Eucharist is not an option, but a demand because it is one of Jesus' most passionate teachings. He repeatedly said that the bread that he will give for the life of the world is his real flesh, meaning his very life.

The murmurings, accusations, insults and even desertion by many Jews and even close disciples did not make him compromise or dilute this all-important teaching. He only reiterated his stand with more force and clarity.

Saint Ignatius' College is a co-educational Catholic school in the Jesuit tradition. At Ignatius we strive to maximise every student's potential, empowering them to make a difference in the world.
